Skin Hydrating Facial

Revitalise parched skin, minimise fine lines, hydrate and smoothe. Using concentrated product blends to restore the skins moisture balance.

Medicated Clearing Treatment

Perfect for skin suffering from breakouts, this treatment will help to clear blemishes, reduce oiliness and promote a clear complexion.

Multivitamin Power Regeneration

Ideal for prematurely aged skin conditions. Powerful exfoliation is followed with deep penetrating vitamin therapies to ensure skin is plumped and toned.

Environmental Control

Sensitised skin can benefit from this amazing soothing skin-protectingtreatment which instantly has a calming effect on the skin.

Prelase Resurfacing Treatments

Treatment Time 30 minutes **£ 30**
Course of 4 treatments **£100**

As we age the skin, if not regularly exfoliated takes on the appearance of being dull and lifeless.

At Perfect Skin we have a great alternative to Laser Resurfacing and Microdermabrasion.

Suitable for all skin types, great for prematurely aged or problematic skins.

Prelase resurfacing treatments can be combined with most Dermalogica Facials.

When combining Prelase with a Dermalogica Facial we will reduce your treatment cost by 20%.
